

Inside TigerLIFE

VOL. 2, ISSUE 2

OCTOBER 2017

TigerLIFE Fall 2017 Semester

The Homecoming parade float was well decorated by our TigerLIFERS! Students proudly rode the float and walked in the parade! And our King Kyle and Queen Brittany represented TigerLIFE in royal style!

TigerLIFE students are out and about campus this semester. They have participated in many campus activities including the International Student Welcome Back, Choose Your Major Career Fair, Tiger Blue goes Green and the Health Fair. They also explored an exhibit at the Rose Theater.

TigerLIFE had a strong presence at the UofM Health Fair. Students manned a TigerLIFE booth to provide information on the program. And Tammetha has been doing so well at an internship at the UofM Recreation Center, that they requested she represent them at the UofM Health Fair. She manned a table and talked to students about the Recreational Center's services and how to sign up for the services..
