

MICHAEL D. ROSE THEATRE MAIN LOBBY STARTUP INSTRUCTIONS

TO START THE SYSTEM

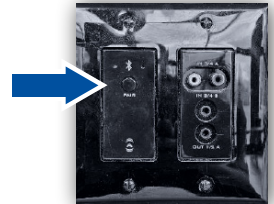

Notice: Music played must be clean of explicit language

- Hold the bottom two buttons for 10 seconds.
- Release the buttons and all buttons should light up blue.

CONNECTING BLUETOOTH DEVICES

- Press the “Pair” button on the panel to make the device discoverable. The right light will blink blue.
- In your phone’s Bluetooth settings, select “Rose Theater Lobby”
- If this is your first time connecting, a notice will appear to confirm you want to pair your phone with the Bluetooth device.

ADJUST VOLUME

- Make sure the volume on your phone or other connected device is all the way up.
- Use the plus minus keys next to “BTtooth Aux In” to adjust the volume up and down.
- Buttons can be held for faster adjustments.

TO SHUT DOWN

- Hold the bottom two buttons for 10 seconds.
- Release the buttons and all buttons stop glowing blue.
- If they do not turn off, please contact CES.
