UC Theater Startup

To Start System & Power On Projector

Press the Welcome Screen to start up the system.

- Select “Next Page” on the top Right
- Select “Tools” on the top Right
- Select “Power On” under the Projector Controls to turn on the Theater projector

To Connect a Laptop to the Projector

- Plug a laptop into the HDMI port below
- Select “Stage Wall Plate” at the top

To Shut Down

Press “System Power” at top Left.
• Confirm Shut Down by pressing “Power The System Off”

• If you are having issues, please read the Trouble Shooting Tips
Trouble Shooting Tips

No Video on Screen

- Check projector is powered on.
- Check the selected source on the panel. Example: “Desktop PC”.
- Check HDMI cable connection if using a laptop.
- Check display settings on computer in use. Right click on desktop and select Display Settings. Look under Multiple Displays. Choose “duplicate these displays”.

No Computer Audio

- Check laptop audio setting at bottom right of desktop display. Adjust slider volume level and un-mute. Also check the source is selected to “Crestron”.
- If playing a YouTube video, check audio adjustment at bottom left of video. Un-mute and adjust slider.
- Check “Program Audio” on wall plate. Adjust volume by pressing the speaker icon. Make sure the mute function is not selected.

Podium Mic Needs Adjustment

- Adjust level on “Podium Microphone Volume”
- Press the speaker icon to increase or reduce the volume.
