Purpose
This training material highlights how to install and use Papercut Mobility Printing on Android devices.

Audience
This training material is designed for university faculty, staff, and students.

Device Requirements
Mobility Print supports Android 4.4+. Supported devices includes Android phones and tablets from Google, Samsung, HTC, Lenovo, LG, Sony, Huawei among others.
Connect to the UofM Wi-Fi Network

For instructions on how to connect to the um Wi-Fi network, please see our umWireless documentation.

Note: It is recommended to connect to um, as these features are not available on um-guest.
Installing Mobility Print Printer Setup

1. If this is your first time using Mobility Print, you will need to install the *Mobility Print app* from the Google Play Store. You can download the app using this link or you can search for it directly in the Google Play Store.

2. Tap *Install*.
3. Next, Mobility Print may ask for access to Photos/Media/Files, if so, click Accept.

![Mobility Print access request]

4. Google Play may ask you to complete account set up. Click Continue, to review your account and to continue installing apps on Google Play.

![Complete account setup]

5. You can choose to skip this step. By clicking Skip.

![Skip payment option]
6. The software will begin to install.

7. Tap **Open**.
8. Next, tap Android Settings.

9. Select the Mobility Print Settings Button to enable the service. Tap on the toggle button in the top-right corner of your screen to ON.
10. A list of available printers should appear once Mobility Print has been switched to the on position.

![Mobility Print Screen with a list of printers]

11. Exit settings.

*Note: If you want to use more than one printer on campus, repeat these steps for each printer.*
Printing on an Android

1. To print, open the content you want to print.  
   *Note: Printing may vary from program to program.*

2. In Chrome, open the app menu.

3. Tap **Share**.
4. Tap **Print** or the print icon to see a list of printers.

![Image of a mobile device screen showing a list of printers]

5. If you do not wish to use the default printer, tap the default printer and choose the correct one.

![Image of a mobile device screen showing a list of printers]

**Note:** Papercut printers have the Papercut logo beside them.
6. To change the print settings, tap the **down arrow** in the center of the screen.

![Print settings interface](image)

7. Once you have chosen your settings, tap **Print**.

![Print settings interface](image)
8. (A) Authenticate using your UofM credentials. (B) Tap Print.

![Password required to print]

Note: If you select the Remember me for 7 days checkbox, your tablet will remember your login details for that printer for one week.

You may receive this message once your item has been sent to print. Click, OK.

![Use Mobility Print?]

9. Pick up your print from the specified printer.
Locating Help Resources

Upon completing the training covered in this course, faculty, staff, and students are able to receive additional training help and resources. Such help can be located as follows:

Service Desk Request

Submitting a Ticket

- Login URL:
  - Here is a link to our service desk ticketing system
  - After logging in, choose the link Request Help or Services.
  - Choose Request Help or Services.

Call the ITS Service Desk (901.678.8888) on a 24/7 basis (Excluding Some Holidays)

- Call the Service Desk for immediate assistance with login problems or issues with using the Service Desk Request Form.

Email umTech

- Email at umtech@memphis.edu (Using this email will automatically generate a help desk ticket). Please keep your Service Desk ticket number for faster assistance.
