Purpose

This training material highlights Office 365’s OneDrive, and describes how to manage and use.

Audience

This training material is designed for University faculty students and staff that will be using OneDrive.
Using Office 365 OneDrive

Logging into Office 365 and Accessing OneDrive

1. Using any web browser navigate to the UofM website.

2. Click on the webmail link in the menu.

3. Enter your full UofM email address, click Next.
4. Enter your password that is associated with your UofM email address and myMemphis account.

5. Once you have entered your password you will see the message screen for Office 365 Outlook. Click on the nine small squares located at the top left-hand corner of the message screen window.
6. Select the OneDrive icon from the list.

7. You are now accessing OneDrive.

8. The Column to the left contains navigational links to Files, Recent files, Shared and Recycle Bin (files or folders that you have deleted located in the recycle bin).
Uploading Files

1. Choose upload from the file menu.

2. From the drop-down menu on upload choose to **Upload Files** or a **Folder**.

3. Browse to find (A) a file to upload, select that file, and then (B) click **Open**.
4. Once uploaded, your file will appear.

Creating a folder for Use in OneDrive

1. From the drop-down menu of new choose, Folder.

2. (A) Type the name of your folder in the provided blank field then (B) click Create.
3. Once the folder is created it will appear.
Sharing a document or Folder in OneDrive

1. First, select the file or folder to share by selecting the radial check mark button located to the left of it.

Note: When the radial button is selected more options for the file will appear in the menu at top of window. This menu will allow you to Share, Copy Link, Download, Delete, Move to, Copy to, and Rename files.
2. Once you click share, the share window will appear. From here (A) enter a recipient’s email address, and/or (B) include an optional message. Once you have entered the recipient’s email and optional message, (C) click Send.

Note: Only people in The University of Memphis with the link can view and edit. People who are outside the UofM will not be able to view. From this window, you can also copy the link or send the link out via email.
