Purpose
This training material highlights how to use online version of Office 365 email.

Audience
University of Memphis faculty, staff, or students that will be using online version of Office 365 Outlook email or that want to access other online Enterprise applications.
Using Office 365 Online (OWA)

Office 365 Online Web Application

1. Log into the online version of Outlook.

2. Method 1: myMemphis website

3. Method 2: Use any web browser navigate to the UofM Office 365 website

4. Method 3: click on the webmail link on the menu on the UofM Website

5. A) Enter your full UofM email address, then B) click Next.
6. Enter your password that is associated with your UofM email address and myMemphis account.

7. A) Enter your uuid, and password, then B) Click Login.

9. Next, you will be asked if you would like to stay signed in. If you do not wish to see this message, again click A) Don’t show this again or B) click Yes or No.
10. Once logged in you will see this. There will be a list of messages on the left and the Message Pane is on the right.

11. Note the 9 square tile in the upper left-hand corner. Clicking these tiles will allow you to use other on-line applications.

12. When the 9 tiles are clicked, this window which provides access to the following applications is visible. Below the apps will show current documents you have edited using the online applications. The application saves automatically as you use it.
Have Outlook for Mac or PC Installed

To have Outlook for Mac or for PC installed on your office system enter a help desk ticket and your LSP (Local Service Provider) will make an appointment with you to install it on your system.
