Purpose

This training material highlights how to access the **um-guest** wireless network.

Audience

University of Memphis faculty, staff, or students that will be connecting to the on campus **um-guest** wireless network.

um-guest Wireless

Connecting on a Mac

1. Select **um-guest** wireless from the wireless network menu in the top-right corner of the screen. This will open your default browser.

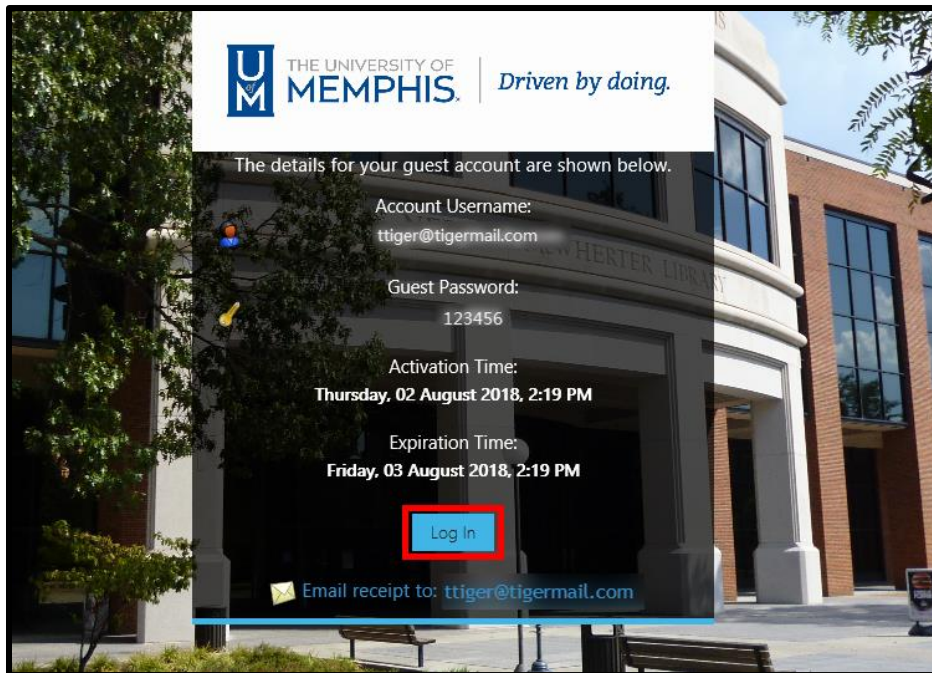

2. You will be asked to enter an **A)** email address. This is a non-UofM affiliated email. (In this example, we used ttiger@tigermail.com.) **B)** Check the **I accept the terms of use** box. **C)** Click **Register**.

3. You will be given the details to your guest account including a guest password and expiration time for your account and password.

Note: If you click on your email at the bottom, an email receipt will be sent to the email address you entered confirming your guest account.

4. Click **Log In**.

5. A window will pop up with the University of Memphis home page. Click **Done**.
6. You are now connected to the um-guest wireless network.

Note: *If you have previously logged into the um wireless network, you will receive this message after clicking Done.*

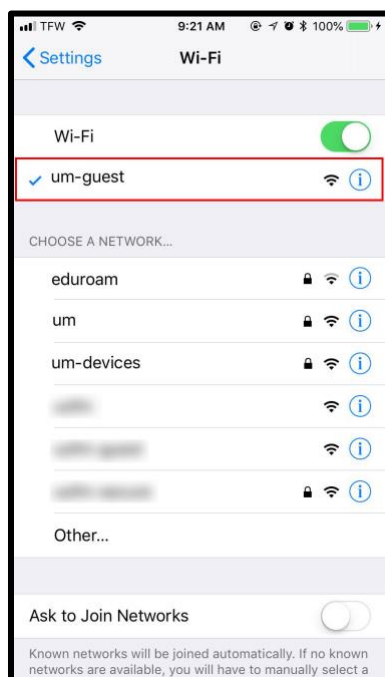

Connecting on an iPad or iPhone

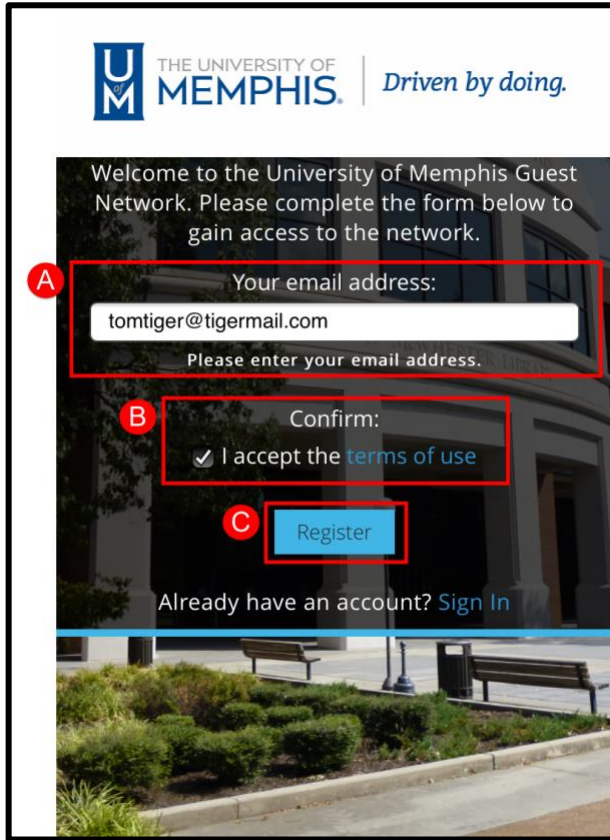

1. Go to your system **Settings**.

2. Select **Wi-Fi**, then choose **um-guest** from the list of network choices.

3. You will be asked to enter an **A)** email address. This is a non-UofM affiliated email. (In this example, we used tomtiger@tigermail.com.) **B)** Check the **I accept the terms of use** box. **C)** Click **Register**.

The screenshot shows the registration page for the University of Memphis Guest Network. At the top is the university's logo and the tagline "Driven by doing." Below this is a welcome message: "Welcome to the University of Memphis Guest Network. Please complete the form below to gain access to the network." The form consists of three main sections, each highlighted with a red box and a letter in a red circle:

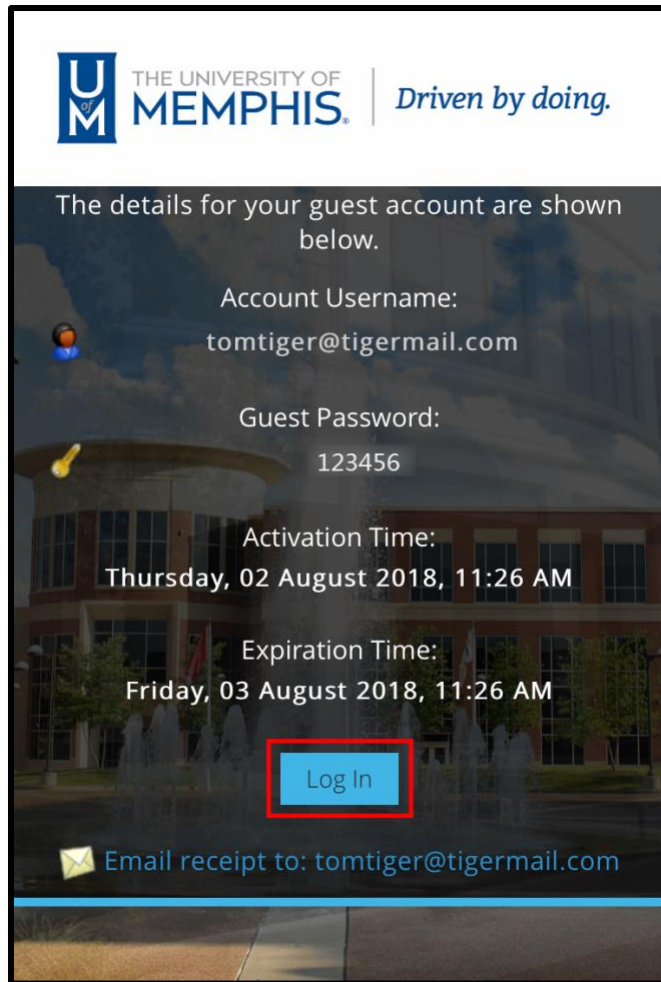

- A)** "Your email address:" followed by a text input field containing "tomtiger@tigermail.com". Below the field is the text "Please enter your email address."
- B)** "Confirm:" followed by a checked checkbox and the text "I accept the [terms of use](#)".
- C)** A blue "Register" button.

At the bottom of the form, there is a link: "Already have an account? [Sign In](#)". The background of the page features a photograph of a campus scene with a building, benches, and landscaping.

4. You will be given the details to your guest account including a guest password and expiration time for your account and password.

Note: If you click on your email at the bottom, an email receipt will be sent to the email address you entered confirming your guest account.

5. Click **Log In**.

6. A window will pop up asking you to trust the certificate, click **Trust**.

7. You are now connected to the um-guest wireless network.

Note: If you have previously logged into the um wireless network, you will receive this message after selecting Trust.

Connecting on a PC - Windows

1. From the A) **Network settings**, B) select **um-guest** from the list of available wireless networks.

2. Click **Connect**. This will open a window in your default browser.

3. You will be asked to enter an **A)** email address. This is a non-UofM affiliated email. (In this example, we used `ttiger@tigermail.com`.) **B)** Check the **I accept the terms of use** box. **C)** Click **Register**.

The screenshot shows the University of Memphis Guest Network registration page. The background is a photograph of a university building with a fountain in the foreground. The page header includes the University of Memphis logo and the tagline "Driven by doing." Below the header, a dark grey box contains the registration form. The form has three main sections: 1. Email address entry, labeled with a red circle 'A', where the email "ttiger@tigermail.com" is entered. 2. Confirmation section, labeled with a red circle 'B', which includes a checked checkbox for "I accept the terms of use". 3. A blue "Register" button, labeled with a red circle 'C'. Below the button, there is a link "Already have an account? Sign In".

4. You will be given the details to your guest account including a guest password and expiration time for your account and password.

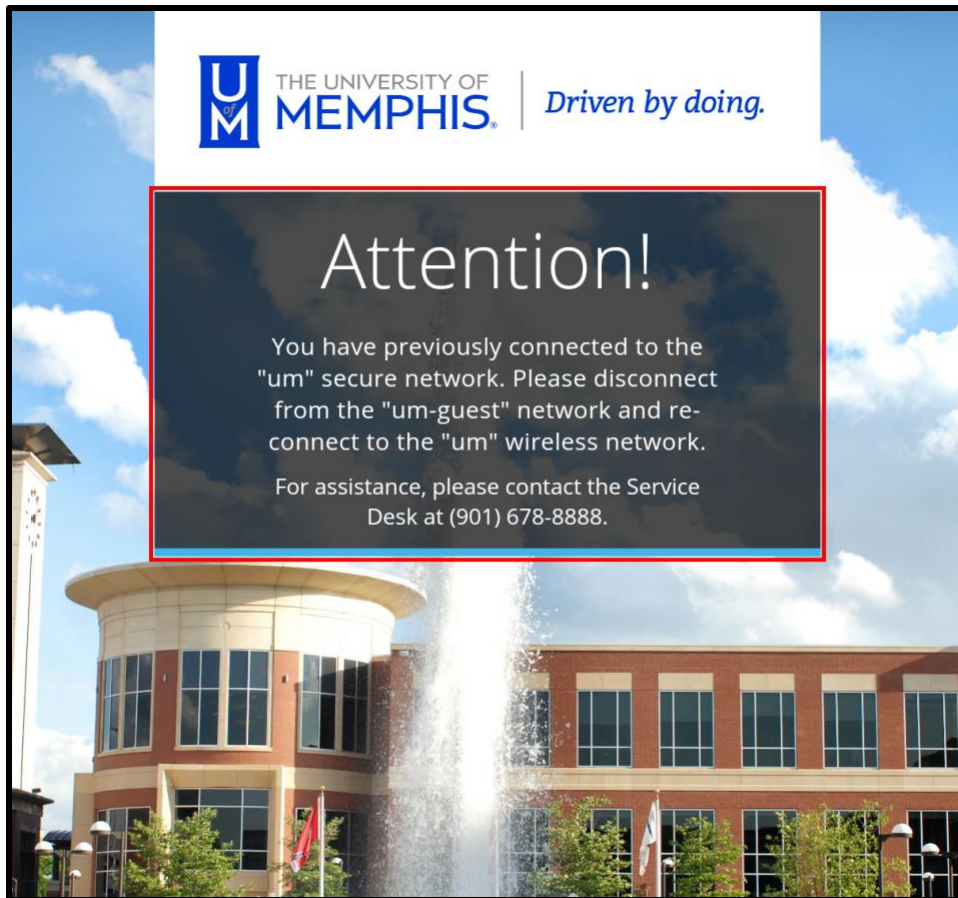

Note: If you click on your email at the bottom, an email receipt will be sent to the email address you entered confirming your guest account.

5. Click **Log In**.

The screenshot shows the University of Memphis Guest Network account details page. The background is a photograph of a university building. The page header includes the University of Memphis logo and the tagline "Driven by doing." Below the header, a dark grey box contains the account details. The details are as follows: Account Username: ttiger@tigermail.com, Guest Password: 123456, Activation Time: Thursday, 02 August 2018, 2:19 PM, and Expiration Time: Friday, 03 August 2018, 2:19 PM. At the bottom of the box is a blue "Log In" button. Below the box, there is a link "Email receipt to: ttiger@tigermail.com".

6. A window will pop up asking you to exit the network or to continue. Click **Continue**.
7. You are now connected to the um-guest wireless network.

Note: If you have previously logged into the um wireless network, you will receive this message after selecting Continue.

Connecting on an Android or Tablet

1. Go to your device **Settings**.

2. Make sure that your **Wi-Fi** has been activated for the device.

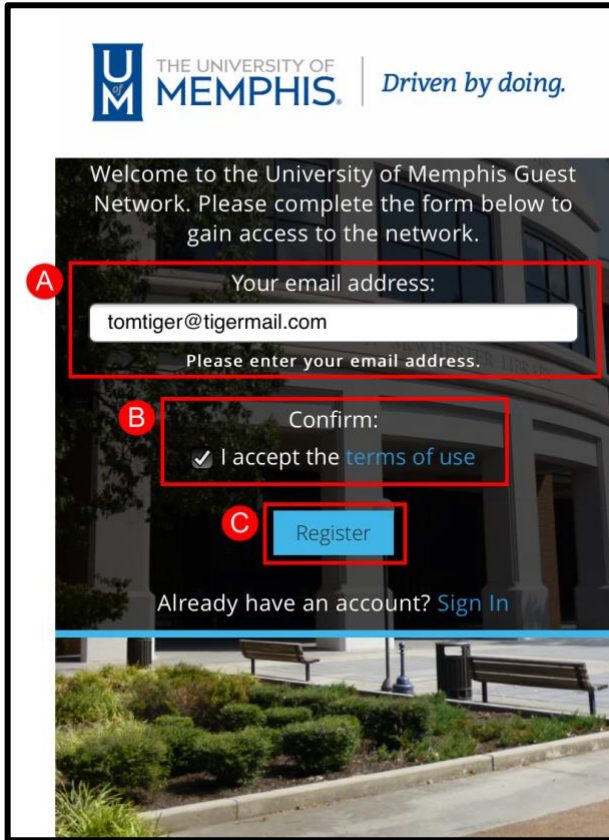

3. Select **um-guest** from the wireless networks.

4. You will receive a notification asking you to sign into the Wi-Fi network. Pull down your notifications bar and select **Sign into Wi-Fi network**. You will be prompted to select a browser.

5. You will be asked to enter an **A)** email address. This is a non-UofM affiliated email. (In this example, we used tomtiger@tigermail.com.) **B)** Check the **I accept the terms of use** box. **C)** Click **Register**.
