Connecting on an iPad or iPhone

1. Go to your system **Settings**.

2. Select **Wi-Fi**, then choose **um** from the list of network choices.
3. Enter your **Username** (UofM uuid) and **Password**. Your **Username** (uuid) will be the first part of your UofM email address and your **Password** is the same as your password for UofM email and myMemphis. In this example, Tom Tiger’s user name is used (ttiger).

*Note: This is NOT the administrative password for your mobile device.*

4. A window will pop up asking you to trust the certificate. Click **Trust**.

5. You are now connected to the um wireless network.
Trouble connecting?

If you have recently changed your password and are having trouble connecting, you may need to forget the network and re-associate your device with the campus network.

1. Go to your system **Settings** and select **Wi-Fi**.
2. Select the network you want to forget and tap **Forget This Network**.
3. A window will pop up confirming that you want to forget the network, tap **Forget**.
4. You have removed the network. To re-associate, follow the steps above in **Connecting on iPad or iPhone**.
