

Connecting on a Mac

1. Select **um** wireless from the wireless network menu in the top-right corner of the screen.

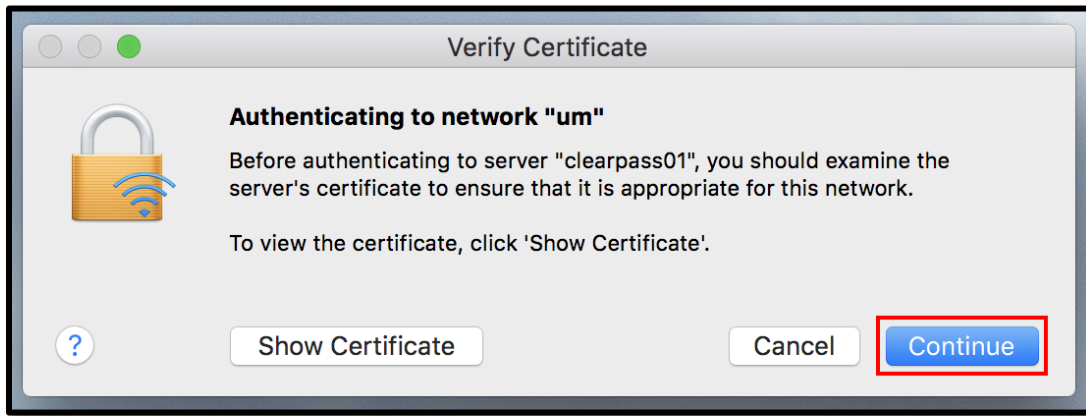

2. Check the **Remember this network** box and sign in with your Username UUID (first part of your email address) and password. Click **Join**.

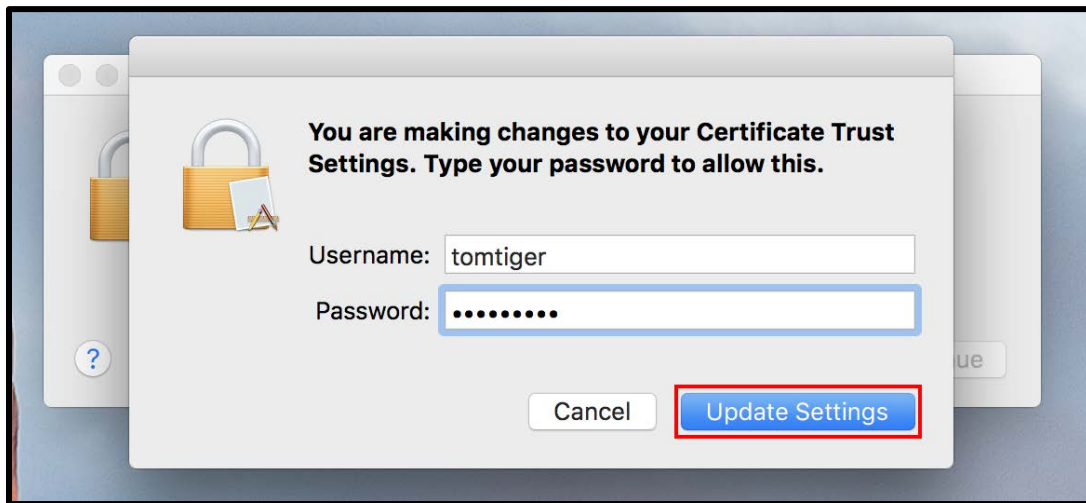

Note: This is NOT the administrative password for your computer. Your Username will be the first part of your UofM email address and Password associated with it.

3. Click **Continue**.

4. Sign in with your computer's administrative password and click **Update Settings**.

5. You are now connected to the um wireless network.

Trouble connecting?

If you have recently changed your password and are having trouble connecting, you may need to forget the network and re-associate your device with the campus network.

1. From the wireless network menu, select **Open Network Preferences** at the bottom of the dropdown menu.
 2. Click **Advanced** near the bottom right corner.
 3. Select the network you want to forget and click the **minus symbol** under the Preferred Networks section.
 4. A window will pop up confirming that you want to forget the network, click **Remove**.
 5. Click **OK** in the bottom right corner of the window.
 6. Click **Apply** in the bottom right corner of the Network Preferences window.
 7. You have removed the network. To re-associate, follow the steps above in **Connecting on a Mac**.
