## What is Brightspace Pulse?

---

Brightspace Pulse is a mobile app that can help learners stay connected and on track with their courses in D2L Learning Environment. It provides one easy view of course calendars, readings, assignments, evaluations, grades, and Announcements. The app can help learners make better decisions about how to handle workload, when to submit assignments, and when to prepare for tests.

### Use Brightspace Pulse to do the Following:

- See all the important dates and deadlines for each course
- Mark activities as complete
- Anticipate busiest times with a quick glance
- Receive the latest grades, course content, and Announcements
- Share updates via email, text messages, and social media
- Enter events and deadlines
- View course details and customize how much assignments and tests are worth
- Seamlessly log in to D2L Learning Environment via a browser to complete tasks

### Download the Brightspace Pulse App

## Brightspace Pulse interface overview (iOS)

1. The graph in Week view displays which days are the busiest.
2. Toggle your view by tapping the  Schedule view icon or  Week view icon. When the graph in Week view is visible, the activity list only shows activities for the selected day. The Schedule view shows all activities in the activity list for the duration of your courses.
3. The activity summary displays how many activities you completed this week.
4. The activity list displays the following activities: **To-dos** () , **Readings** () , **Assignments** () , or **Evaluations** () .
  - Navigate activities by swiping up or down.
  - Swiping left/right moves to the next/previous week. As you navigate, the graph (if visible) updates.
  - Tapping an activity displays detailed information and actions you can perform.
  - Tapping a  checkmark icon marks the activity as complete ().
5. Filter by courses in the graph and activity list by tapping **Courses**.
6. View course content updates from D2L Learning Environment by tapping **Updates**.
7. Fill in any gaps in your schedule by tapping the  **Add activity** icon.
8. Tap the  **Settings** icon to:  
Log out, provide feedback, or view the version number.

The screenshot shows a mobile application interface for a learning dashboard. At the top, there is a calendar view for the week of Dec 13-19. A line graph below the calendar shows activity progress, with callout 1 pointing to the graph line. A summary bar indicates '7/7 Activities Completed This Week' with callout 3. Below this, a list of activities is shown for 'Wednesday, Dec 16 (Today)'. Two activities are listed: 'Evolution of Grunge' (10:00 AM | Rock 'n' Roll and U.S. History) with a 'Graded (10%)' status and callout 4, and 'Organize a Study Group' (2:00 PM | Labour Relations). At the bottom, there are navigation tabs for 'Today', 'Courses' (with callout 5), and 'Updates' (with callout 6). Other callouts include 2 (top right menu icon), 7 (top right plus icon), and 8 (top left settings icon).

The screenshot displays a mobile application interface for a learning management system. At the top, a blue header bar shows the date range "Nov 30 – Dec 6" and a notification bell icon with a red "3" badge. Below the header is a calendar view for the week of November 30 to December 6. A blue wave-like progress bar spans the calendar, with a "17%" completion indicator on the right. Below the calendar, a grey bar indicates "3/6 Activities Completed This Week". The main content area lists activities for "Sun, Dec 6 (due 9 days ago)":

- Test#4**: 12:00 PM | Business Law. Graded (17%). Status: Completed (green checkmark).
- Test#4**: 11:30 PM | Evolutionary Psychology. Status: Not completed (grey checkmark).
- Reading List**: 11:30 PM | Evolutionary Psychology. Status: Not completed (grey checkmark).
- Reading List**: 11:30 PM | Evolutionary Psychology. Status: Not completed (grey checkmark).

A blue circular button with a white "+" sign and a red "4" badge is positioned at the bottom right of the activity list. Orange callout numbers 1 through 6 are overlaid on the interface to highlight specific elements: 1 (calendar), 2 (progress bar), 3 (Test#4), and 4 (plus button).

## Using Brightspace Pulse

---

### Activity categories in Brightspace Pulse

Brightspace Pulse displays the following activity categories, which are mapped from data in D2L Learning Environment:

Icon	Activity	Mapping from D2L Learning Environment
	Assignment	Assignment submissions folder, discussion (forum and topic), checklist, survey
	Evaluation	Quiz, grade item
	Reading	Content Topic
	To-Do	None. A To-Do activity is personal data created in Brightspace by the learner

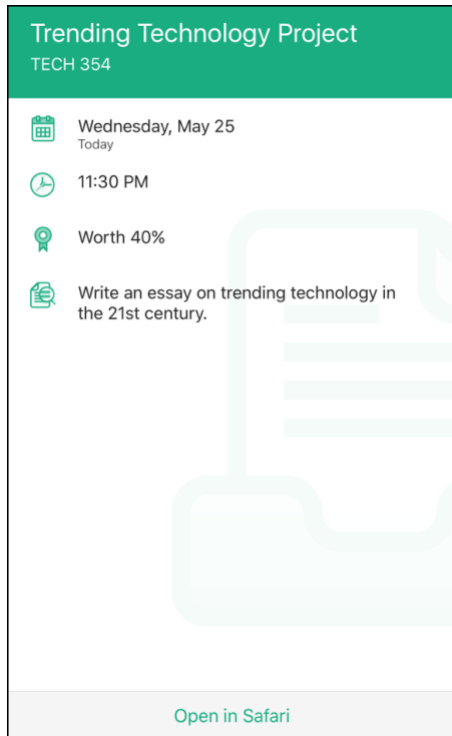

### Viewing and editing activities

From the activity list, tapping an activity displays more details. Tap **Edit** to edit the activity details.

**Note:** When editing an activity created in D2L Learning Environment, the **Title** and **Grade worth** fields are the only editable fields. The field **Grade worth** is initially empty and must be set by the learner.

Tap **Open in Safari** (iOS) or **Open in Browser** (Android) to open the activity in D2L Learning Environment, for example, an exam in the Quizzes tool.

You can easily distinguish between personal activities you created in Brightspace Pulse and activities created by your instructors in D2L Learning Environment. A personal activity is identified by a **Personal** label.

## Add an activity

To fill in any gaps in your schedule or to add your own personal activities, you can add an activity.

1. Tap the **Add activity** icon:  (iOS) or  (Android).
2. Tap an activity type: **To-dos** () , **Readings** () , **Assignments** () , or **Evaluations** () .
3. Fill out the necessary fields.  
Note: You must associate the activity with a relevant course in D2L Learning Environment.
4. Tap **Save**.

## Mark an activity as complete

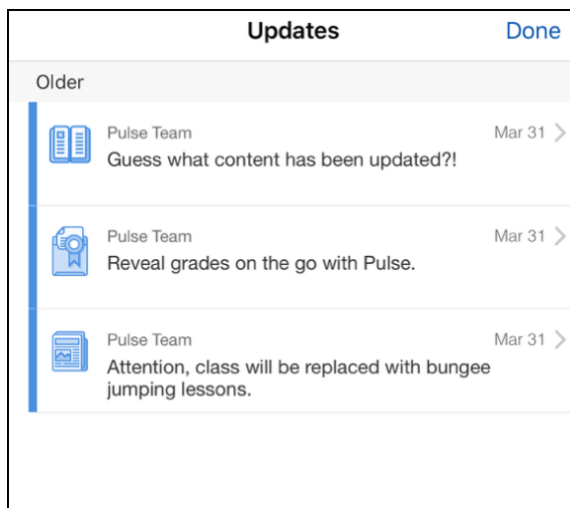

After completing an activity such as an assignment or reading, you can mark the activity as complete. The activity summary displays how many activities have been completed in the current week.

From the activity list, mark an activity as complete by tapping a  checkmark. To provide a sense of accomplishment, a completion message displays.

Tapping a  checkmark marks the activity as incomplete.

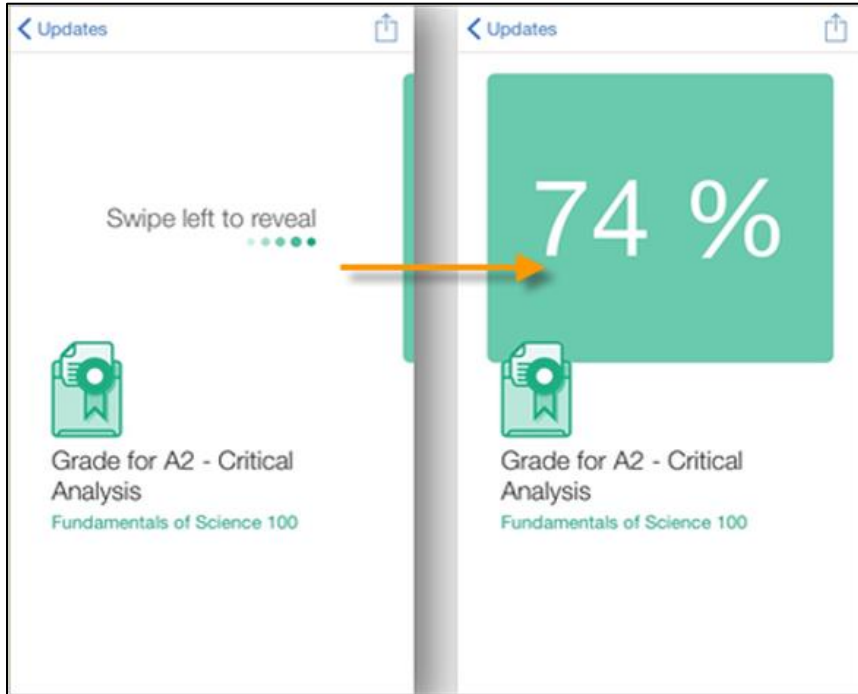

## Viewing Updates (Notifications)

To view notifications, tap **Updates** (iOS) or the  **Notifications** icon (Android).

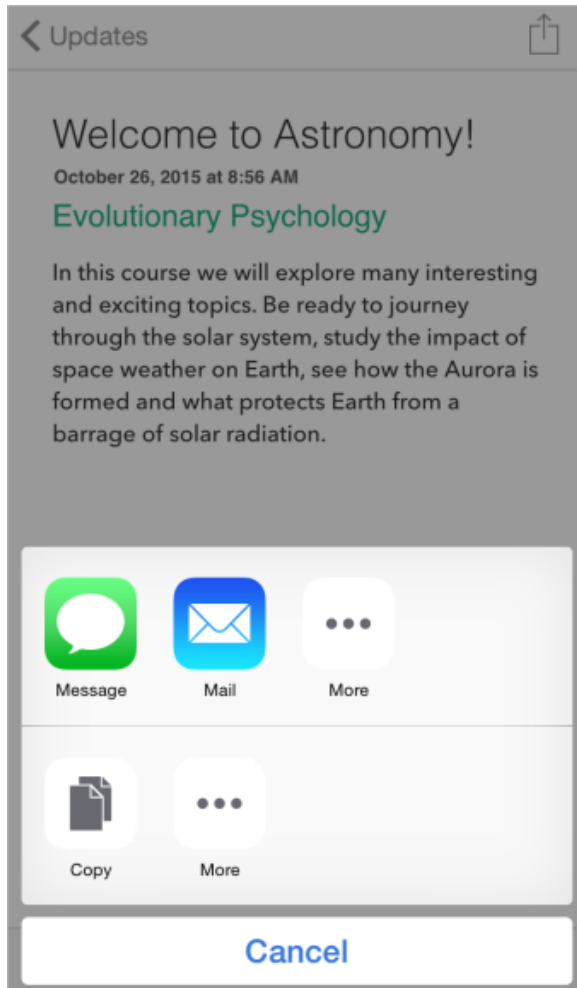

**Note:** After logging in for the first time, course notifications do not appear until new updates are created.

You can view the details of an update by tapping an activity. For example, you view a **grade** from the Updates screen by tapping the activity. Swipe left to reveal the grade.

## Sharing notifications with others

You can share notifications with others by tapping the share icon ( on iOS or  on Android). For example, you can share a course content notification with other learners via instant message, email, or social media.
