How to Add Zoom Integration eCourseware

1. Log into eCourseware.
2. Select Your Course.
3. Select the Content tool from the menu bar.
4. Select the Module you want to Add the Zoom Integration.
5. Select Add Existing Activities.
6. Select External Learning Tools From the drop-down menu.
7. From the External Learning Tool list, Select Zoom.
8. You have successfully added the Zoom Integration to courseware!

Zoom Integration will be added to the module.
