How to Add Zoom Integration eCourseware
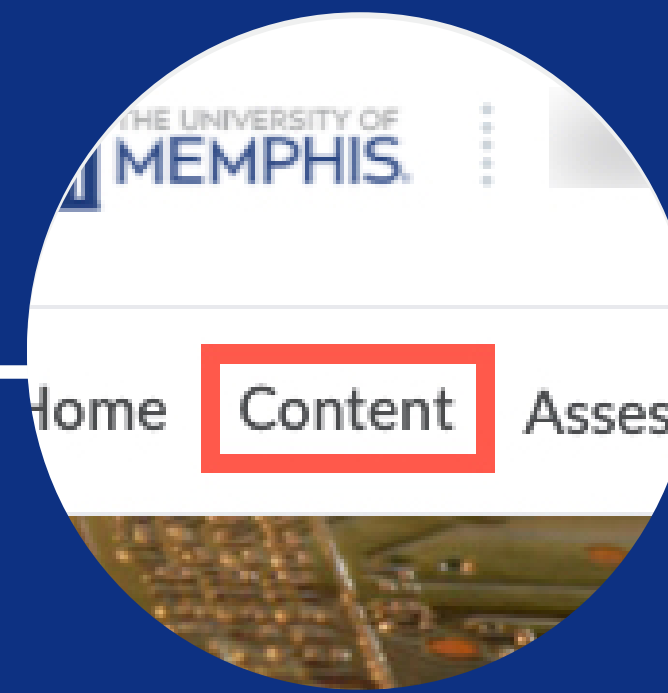

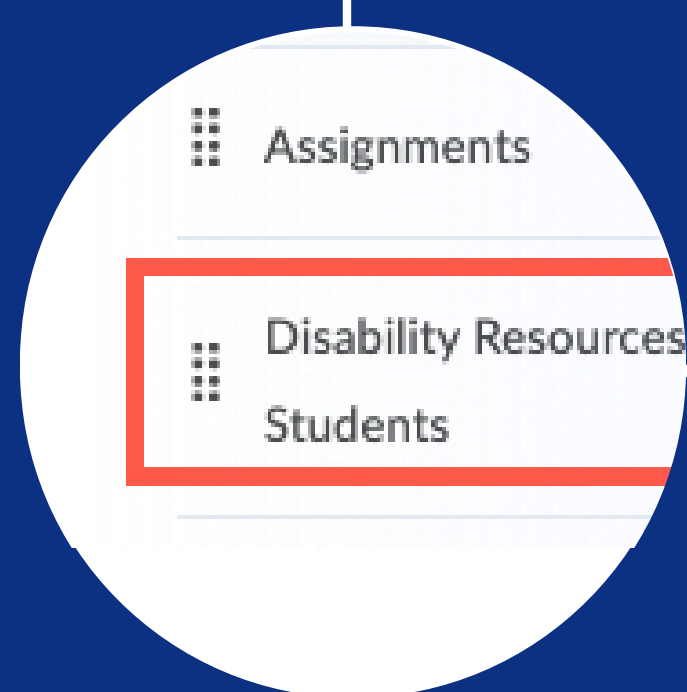

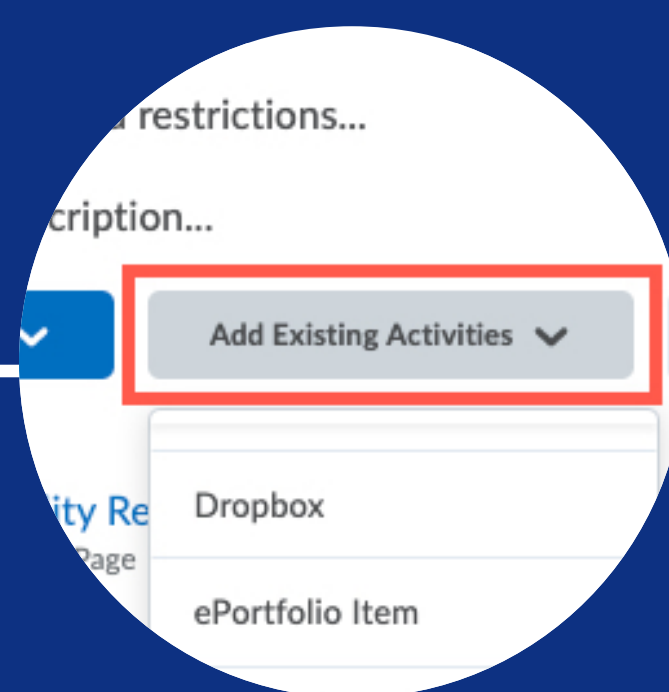

Log into eCoureware.

Select Your **Course**.
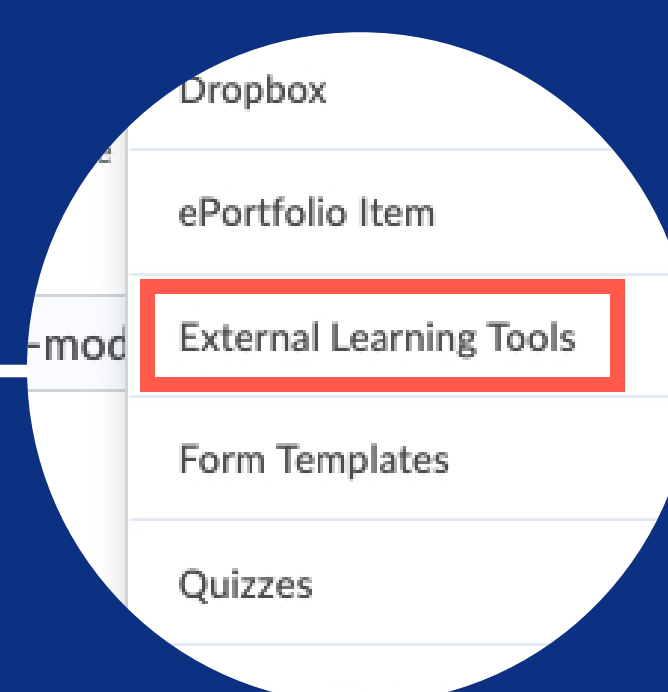

Select the **Content** tool from the menu bar.

Select the **Module** you want to Add the Zoom Integration.

Select **Add Existing Activities.**

Select **External Learning Tools** From the drop-down menu.

From the **External Learning Tool** list, Select **Zoom**.

Zoom Integration will be added to the module.

You have successfully added the Zoom Integration to courseware!
