SUMMER ARTS INTEGRATION & LEADERSHIP

MEMPHIS ACADEMIC & RESEARCH IMMERSION

The University of Memphis Summer Arts Integration & Leadership (SAIL) Program provides rising 9th, 10th and 11th graders with an immersive academic and experiential learning opportunity in a residential, on-campus environment.

Building upon the University's rich 110 year history, and offered in partnership with the UofM's new Center for Arts Integration in Business Performance, a multidisciplinary center created by leading faculty and researchers in the Fogelman College of Business & Economics and the College of Communication & Fine Arts, SAIL provides an opportunity for students to live and learn in community over the summer while engaging with some of our University's most dynamic thought leaders across all of our colleges, schools and academic programs.

SAIL is designed to provide students with exposure to foundational and entrepreneurial academic concepts, which are necessary for future leadership and the workforce needs of tomorrow.
