

Summer Fee Schedule

All fees are subject to change. Charges for all courses will be assessed by STUDENT level. The University reserves the right to correct errors in student fee assessments and charges which are discovered subsequent to the initial billings or fee statements.

Graduate eRate 2018-2019

eRate is available to students who are classified as non-residents of Tennessee, and who enrolled exclusively in online courses (instructional method of Web).

To qualify for an eRate, students must be verified as an online out-of-state student enrolled exclusively in courses delivered online (instructional method of Web). Students enrolled in any type of courses other than online (on-ground, telecourse, video conferencing correspondence, hybrid etc.) will NOT be eligible for the eRate and will instead incur traditional non-resident fees and charges.
