

University Undergraduate Council

March 2023 Activity

No face-to-face or Zoom meeting was held during the month of March. A vote was conducted in Curriculog.

Proposals were discussed (with PPT presentation by Sandra Cooley-Nichols, Department of Instruction and Curriculum Leadership(ICL), College of Education) at the February 10, 2023, meeting. Changes in the TN State Department of Education licensure requirements have made it necessary for ICL to revise two undergraduate majors and several concentrations in the MAT (Master of Arts in Teaching) program. Institutional approval of these revisions is due to the TN Department of Education by March 6 for earliest implementation Fall 2024.

All proposals were available for review in Curriculog by February 20 for vote no later than March 2; a quorum voted in Curriculog and all proposals passed unanimously.

Proposals passed include:
