Call to Order
Meeting called to order at approximately 1:03 pm, by Carol Danehower, when a quorum was achieved.

New Member
MaKayla Carr – SGA Rep
Guests
Dean Linda Jarmulowicz and Sharon Fairbanks (School of Communication Sciences and Disorders); Dean Radesh Palakurthi, Tim Flohr, Bill Mullins (Kemmons Wilson School of Hospitality and Resort Management); Ryan Crews (Student Academic Success).

Minutes
Minutes from the May (2019) and September (2019) meetings were approved.

Old Business
Deb Tollefson, Chair of the General Education Committee, distributed a draft of the guidelines and the list of committee members by email prior to the meeting. Colton Cockrum has updated the information regarding SACSCOC accreditation so new guidelines reflecting this will be sent. No meetings have been scheduled as of this date, however, the plan is to meet in November.

New Business
Revision of the UUC Bylaws were sent out for review as required, including:
- add Communication Sciences and Disorders and School of Public Health as academic units with a vote as they now have undergraduate programs or are proposing programs. Resulting UUC membership will be 20, with quorum as 11.
- replaced “Provost” with “Vice-President of Student Academic Success” to reflect the recent restructure
- removed “Director of Advising” replaced with “a representative of the Academic Advising Network”
There were no other revisions submitted. Committee will vote at November meeting.

Curriculum Proposals
*Tori Tardugno was thanked for her leadership and guidance with the implementation of Curriculog.

Communication Sciences and Disorders
Linda Jarmulowicz and Sharon Fairbanks presented their proposal for the Bachelor of Science (B.S.) major in American Sign Language (ASL) and Deaf Studies.

- Discussion.
- Proposal for 4 new courses and 1 revised course passed by unanimous roll call vote. New courses = AUSP 3010 Advanced ASL; AUSP 4209 Linguistics in ASL; AUSP 4900 ASL/Deaf Studies Field Experience; Revised course AUSP 3020 Advanced Fingerspelling.

- Proposal for degree program passed by unanimous roll call vote.

Proposal will next go before the Board of Trustees at December 4 meeting. After approval, Letter of Notification (LON) will go to THEC for review and revision, with the next step being a request from THEC to submit the New Academic Program Proposal (NAPP) for review and revision and a site review conducted by THEC and an external reviewer. After that review and revision process the LON/NAPP is brought before the actual Commission for a vote.

**School of Public Health update given by Debra Bartelli. LON for the BS in Public Health has been approved by THEC.**

**Kemmons Wilson School of School of Hospitality and Resort Management**

Radesh Palakurthi, Tim Flohr and Bill Mullins distributed handouts and presented their proposals for a Culinary Essentials Certificate (CEC); Culinary Arts concentration in the BA Hospitality and Resort Management major; and a Culinary Arts. Related to these program proposals they presented proposals for a total of sixteen new HPRM courses, with eight courses comprising the CEC. Seven of the eight courses only count toward the CEC (HPRM 2012 is a requirement for the certificate, the concentration and the minor). See Appendix for course lists.

Questions/answers and discussion regarding the CEC followed the presentation.
Motion for CEC and courses was made (Haught) and seconded (Hutchinson). Motion passed with friendly amendment (Deaton) that the courses counting only for the CEC not be allowed to count toward as electives for other programs at the UofM (meaning that HPRM 2012 is the only course that would be allowed to count as an elective or for other HPRM programs).

Regarding the Culinary Arts Concentration proposal, Carol Danehower noted that we would be voting only on the 24 hours in the concentration, NOT the “guided electives” as stated in the proposal. Such an addition of the additional hours would add to the hours of the concentration, making it over the 24 hour maximum limit for internal-only (not THEC) approval of new programs. (The additional hours for the electives could be a part of an HPRM BA program proposal revision which could be submitted at another time but was not on the agenda for this meeting).

Related to the courses proposed, through discussion it was clarified that HPRM 2012 is a pre-requisite to HPRM 3013, HPRM 3015, HPRM 3016, HPRM 3018 and 4012. Further, it was clarified that HPRM 3012, HPRM 3015 and HPRM 3016 are prerequisites for HPRM 4012.

Motion to pass the proposal and courses was made and seconded (Hutchinson) and passed by roll call vote.

Minor proposal was presented, motion to approve, second (Hutchinson) passed by roll call vote.

**Announcements**

Due to time constraints, Student Academic Success Resource Center presentation by Ryan Crews will be made at the November meeting.

Deadline for materials to be in Curriculog at the UUC level is October 25, 2019.

Next meeting is Friday, November 8, 1:00 PM, Faculty Senate Chamber. Meeting adjourned 2:54pm.
