

UUC October Meeting MATH Justification for Undergraduate Course Changes

Math 1100 – Close out. The role intended for Math 1100 has been supplanted by MATH 1420 Combo which enjoys greater success and satisfies the Gen Ed requirement.

Math 1420 – Change in course description to catch up with incremental changes in syllabus and remove Math 1100 as possible prereq.

Math 1480 – Remove Math 1100 as possible prereq.

Math 1530 – Change course description to better describe goals of course. Removed 1100 as prerequisite and lowered ALEKS score since material is more conceptual than computational.

Math 1720 – Removed language about 6 credit requirement that has reappeared in catalog despite being removed.

Math 1730 – Removed language about 6 credit requirement that has reappeared in catalog despite being removed.

Math 1830 – Change in course description to catch up with incremental changes in syllabus.

Math 2050 – This is an TN e-course and should be moved to that section of the course catalog.

Math 2120 – Augment prereqs with “with a minimum grade of C-” for consistency.

Math 2421 – Augment prereqs with “with a minimum grade of C-” for consistency.

Math 2422 – Better course description that clearly distinguishes 2422 from 2110. Augment prereqs with “with a minimum grade of C-” for consistency

Math 2702 – Augment prereqs with “with a minimum grade of C-” for consistency

Math 2810 – This is an TN e-course and should be moved to that section of the course catalog.
