Vertically Integrated Projects (VIP) Info Session //

Friday, March 18, 11:30 AM -12:30 PM

Join Dr. Preza and Dr. Ivey in a virtual info session to learn about a new **Vertically Integrated Projects (VIP)** program that begins this fall! Students have the opportunity to work in multidisciplinary research teams while earning technical elective credit. The VIP program is open to **ALL engineering majors** (including freshmen!).

Check out the attached flyer to learn more.
