

Posters

Under the theme “**25 Years of Bringing the World Together**”, students will design a poster prior to the Fair for display and judging at the Fair. The maximum size for posters is 16 square feet.

The poster should reflect the theme of this year's Fair, but need not incorporate it word for word. Any writing on the posters must be in the target language.

Affixed to the lower right front corner of each poster must be a 3x5 card with the following information: school, name of artist, language.

Posters that have won prizes in previous years may not be re-submitted.

Judging Criteria: Appropriateness to the Theme (10%), Correct and Imaginative Use of the Target Language (40%), and Visual Impact (50%).

WHO MAY COMPETE: Foreign language students, native/heritage speakers, and speakers of cognate languages are welcome to participate in this event.

LIMITS: Maximum of two entries per class and maximum of two competitors per poster.
