The Department of Foreign Languages and Literatures sponsors several programs in France. Our main partner is the Université Catholique de Lille. A private not for profit university founded in 1875, the Université has an urban campus located in the heart of the city, within easy walking distance of the city's cultural and commercial centre. The university hosts a population of 25,500 full-time students.

French Major and Minor

THE MAJOR

A major in French consists of twenty-four hours (eight courses) at the upper-division level (3000 level or above). After completion of the language requirement (FREN 2010 and 2020), students normally take FREN 3301 and 3302 (Conversation and Composition), as these courses are prerequisites for other upper-division courses.

THE MINOR

Students must take eighteen hours (FREN 1020, FREN 2010, FREN 2020 and nine upper-division hours). After completion of FREN 2020, it is highly recommended that students take FREN 3301 or 3302 as these courses are a prerequisite for other upper-division courses.

MASTER OF ARTS IN ROMANCE LANGUAGES WITH CONCENTRATION IN FRENCH

The MA program prepares students in the areas of literature, culture, education, grammar, and linguistics and is oriented toward the preparation of students who may be interested in teaching in public and private elementary and secondary education, teaching as a part-time or full-time instructor at the college level, pursuing a PhD in the field of concentration often at highly-ranked universities, or enhancing the student's skills for a career in law or business as well as in government agencies. Please consult our Graduate Advisor in the department for more information.
